Dr. Miles' Nervine Restores Health.

NOLE EZEKIEL OBEAR, assessor and tax collector, Beverly, Mass., who has passed the 80th life mile stone, says: "Dr. Miles' Restorative Nervine has done a great deal of good. I suffered for years from sleeplessness and nervous heart trouble. Would feel weary and used up in the morning, had no ambition and my work seemed a burden. A friend recommended Dr. Miles' Nervine, and I purchased a bottle under protest as I had tried so many remedies unsuccessfully. I thought it no use. But it gave me restful sleep, a good appetite and restored me to energetic health. It is a grand good medicine, and I will gladly write anyone inquiring, full particulars of my satisfactory experience."

Dr. Miles' Restorative Nervine is sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., ELKHART, IND.

## WOODMEN STATE DEPUTIES.

Program for Their School to Be Held at Kansas City.

The national school of instruction for deputy head consultants, to be held in Kansas City during Woodmen head camp week, will be under the supervision of Head Consul Northcott, and he has arranged a program for the school of immense educational value. The school convenes at 11 o'clock Monday, June 5. The address of welcome will be made by State Deputy Thornton, of Missouri, and will be responded to by State Deputy Murphy, of Kansas, who is president of the State Deputy association. Head Consul Northcott follows with an address on "Our Deputy System." Following is the program of addresses and papers for the school: "How to Open the Work in New States," C. D. Elliott, Washington; "The Relation of District Deputies to Their Assistants," W. H. Dawson, Minnesota; "Our Competitors," George R. Albert, Iowa; "The Duties and Relations of Deputies to Finances and Other Public Gatherings," W. A. Rodberg, Illinois; "The Work of Deputies With Old Camps," C. J. Byrns, Michigan; "Deputies' Reports," M. N. Wyckoff, West Pennsylvania; "Good Character a Requisite of the Successful Deputy," B. F. Keeler, Wisconsin; "Our System of Insurance," O. F. Avery, Indiana; "How New Camps Shall Best Be Organized With a View to Future Prosperity," A. O. Eberhart, Nebraska; "The Importance of Our Uniform Membership Fee," N. C. Sherburne, Ohio; "English Friendly Societies," D. C. Zink, east Pennsylvania; "Our Ritual," Charles L. Ward, North Dakota; "Head Camp By-Laws," E. R. Van Slyke, South Dakota; "Our Society in the East," Alex. Foreman, West Virginia. All the addresses and papers submitted will be exhaustively discussed.

The Woodmen home was visited and inspected last night, upon invitation of Maj. C. W. Hawes, by Rock Island camp members, and families and friends. The visitors were taken through the elegantly appointed building, and the systems by which the various departments are operated in dispatching the immense business of the society explained to them. E. C. Eberhart had arranged a fine program for the entertainment of the visitors. It was given at 8:30 in the hall on the first floor, and consisted of a piano duet by Misses Mitchell and Buck, a vocal selection, "Because I Love You Dear," by Mrs. Thomas Casey; a recitation of poems by Mrs. J. E. Asay, and a piano solo by Franklin Williams. St. Paul will, in all probability, be voted the 1901 head camp meeting. An average of 1565 letters per day are sent out from the order's head office in this city.

Oklahoma will knock at the door for admission to the jurisdiction at the Kansas City convention. May C. W. Hawes went to Peoria today to attend a meeting of the board of managers of the Royal Neighbors.

## Suppress Altered Food.

The doctors inform us that alum is a poison, and that alum baking powder is the food poison. Prominent hygienists, who have given the matter most study, regard these powders as an evil that should be suppressed by state action. In Minnesota and Wisconsin alum powders are not permitted to be sold unless they are branded to warn consumers of their true character while in the District of Columbia the authorities have, under the direction of congress, adopted regulations to prohibit the use of alum in bread altogether.

Are not the people of other states, as well as those of Minnesota and Wisconsin, entitled to warning of a danger which is apparently menacing them at close hand, and is not the whole country entitled to absolute protection, as the people of the District of Columbia are protected, by legislation which is entirely prohibitive? Until we can have protection in the form of a statute, how can our state boards of health, state analysts or food commissions better serve the public than by publishing in the newspapers from time to time the names of the baking powders which they find to be made from alum? Meantime, it will aid the housewife in designating the alum powders to remember that all powders sold at 25 cents or less per pound are of this dangerous class. Pure cream of tartar powders are usually sold at from 45 to 50 cents a pound.

The opera "The Beggar Prince" will be presented at Harper's theatre Sunday evening. The company which is to present the opera is highly commended wherever it has appeared. The farce comedy, "The Turtle," is to be presented Sunday night at the Burris. The play is an adaptation from the French "Le Tortue," and it sent Paris wild during its original presentation in that city. The company is exceptionally strong in every particular.

## Old Love and New Repartee.

People are smiling at the little passage at arms which took place between two young women at a luncheon the other day. One of the women is a beautiful blond, a bride, and she comes from the south. She met the other woman first at the aforesaid luncheon and, shaking hands in her characteristic, cordial way, said:

"I'm so glad to meet you! You have afforded me so much amusement."

"Amusement?" said the other. "Oh, yes!" went on the bride. "I've been through my husband's desk, and I've read all his old love letters. I found several very warm and affectionate letters from you, and I enjoyed reading them ever so much."

"I'm so glad you enjoyed them!" purred the other. "But do come to see me very soon. I have the answers to all those letters, and you might like to read them. Mr. X's letters are ever so much warmer and more affectionate than those I wrote him. I know you'll enjoy reading them ever so much more than you did mine."—New York World.

## A Natural Mistake.

"I went to Paris," says an Englishman, "staying at the Hotel de Lille et d'Albion. Never having been before, I lost my way and could not find my hotel again, because I neither spoke nor understood French. Thinking some of the people I met might understand written English, I went into a stationer's shop and bought a large card, on which I wrote, 'Please tell me the way to the Hotel de Lille et d'Albion.'"

"Again I sallied out, showing my card to several, but still to no purpose. At last a man read it and silently beckoned me to follow him, which I did as silently for a mile or more. Then he pointed, still silently, to the sign of the hotel, and when I saw it I broke the silence by exclaiming, 'Thank you.'"

"What," he replied in amazement, "are you an Englishman? So am I, but I took you to be deaf and dumb."

## BLAIR IS NOT TO BUILD.

Deals With Short Line and Abandons Proposed Extension.

From Clinton the report comes that the proposed extension of the Terminal company from Davenport to that city has been abandoned, and that the Terminal and Short line interests have reached an understanding whereby the latter will build from Clinton here and cross the Crescent bridge into Davenport. At least so says the Clinton Herald. Here is the item:

"The Davenport papers do not seem to understand that the St. Louis & Peoria Short Line, now building a road from Peoria to Clinton, is to have a spur to their city and cross over the Crescent bridge. But such is the case. To secure such use of the bridge the Blair interests, which have the track and terminal rights here, agreed not to build the line from Davenport to Clinton. After effecting the deal with the Peoria Short line people, Blair disposed of their rights in this city to the Milwaukee, which is a good thing for Clinton."

The Flick & Johnson Construction company is to do the filling in the Moline tail race for the Terminal company. The contract calls for 150,000 yards of earth.

J. J. Keefe, of Chicago, has been appointed traffic manager for the Terminal company. His headquarters will be in the Rookery, Chicago.

## CATARRH OF THE STOMACH.

A Pleasant, Simple, Safe But Effective Cure For It.

Catarrh of the stomach has long been considered the next thing to incurable.

The usual symptoms are a full or bloated sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the lungs and heart and difficult breathing; headache, sickle appetite, nervousness and a general played out and languid feeling.

There is often a foul taste in the mouth, coated tongue, and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate disease is found in a treatment which causes the food to be readily and thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanston, the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids.

The tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets, and, not being a patent medicine, can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Booher, of 2710 Dearborn street, Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head and throat. The lining membrane of the nose became inflamed and the poisonous discharge therefrom, passing back into the throat, reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me three years for catarrh of the stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of the stomach, biliousness, sour stomach, heartburn and bloating after meals. Send for book, mailed free, on stomach troubles, by addressing the F. A. Stuart Co., Marshall, Mich. The tablets can be found at all drug stores.
